Parth,

Per our phone discussion the other day, I dropped of 2 full sets of prints as well as 12 mini sets to the front counter. We will be tearing down the current structure located at 1628 Camellia lane and constructing a new single-family residence. The new home will be frame construction with stone veneer accents and will include a 3-car garage. The design of the house will go well with current designs located in the area. If you have any additional questions pertaining to the property, please let me know.

Thanks Much

Sincerely,

John Doherty
