RE: Village of Schaumburg – 2021 Spray-In-Place-Pipe Storm Sewer Rehabilitation  
Bidding Results and Award Recommendation

Dear Ms. Kesler:

Two (2) proposals were received through the Village's online ProcureNow bidding system. The deadline to submit a bid was August 27, 2021 at 10:00 AM. The low bid of \$692,459.00 was submitted by Engineering & Construction Innovations, Inc. from Oakdale, Minnesota. The second bid was received from Michels Corporation from Brownsville, WI in the amount of \$811,896.37.

Having no prior experience with Engineering & Construction Innovations, Inc. Clark Dietz has contacted references provided by the contractor for a variety of communities and engineers. All references were checked and we confirmed that this contractor is qualified to complete the work.

Clark Dietz recommends award of the 2021 SIPP Storm Sewer Rehabilitation to Engineering & Construction Innovations, Inc. in the total bid amount of \$692,459.00.

If you have any questions, please call me at 630.607.1509.

Sincerely,

Clark Dietz, Inc.

Daniel Powers  
Project Engineer
