Ms Gerwel,

I am looking to secure an annual liquor license. We have signed a lease at the Woodfield Mall and are planning to open Velocity Esports in the old Kin Fork restaurant space in late Q2 (June?) of 2023. Velocity Esports are family entertainment centers with a video arcade (arcade games, not gambling), esports (PC and console games), social games (such as billiards and air hockey) with a full-service restaurant and bar. Velocity Esports currently has two locations open (Newport, KY and Las Vegas, NV) and is planning to make Schaumburg our third location. The team behind Velocity Esports is the same team that previously ran Gameworks in the Streets of Woodfield center in Schaumburg.

I am a local Chicago resident and am available to attend a meeting to provide further information regarding our plans. Please let me know the next steps in the application process.

Best regards,

Len Wanger
President
