

WELCONE!

Village of Schaumburg Public Information Meeting: Spring South Road Project

The Village wants your feedback for potential improvements along Spring South Road.

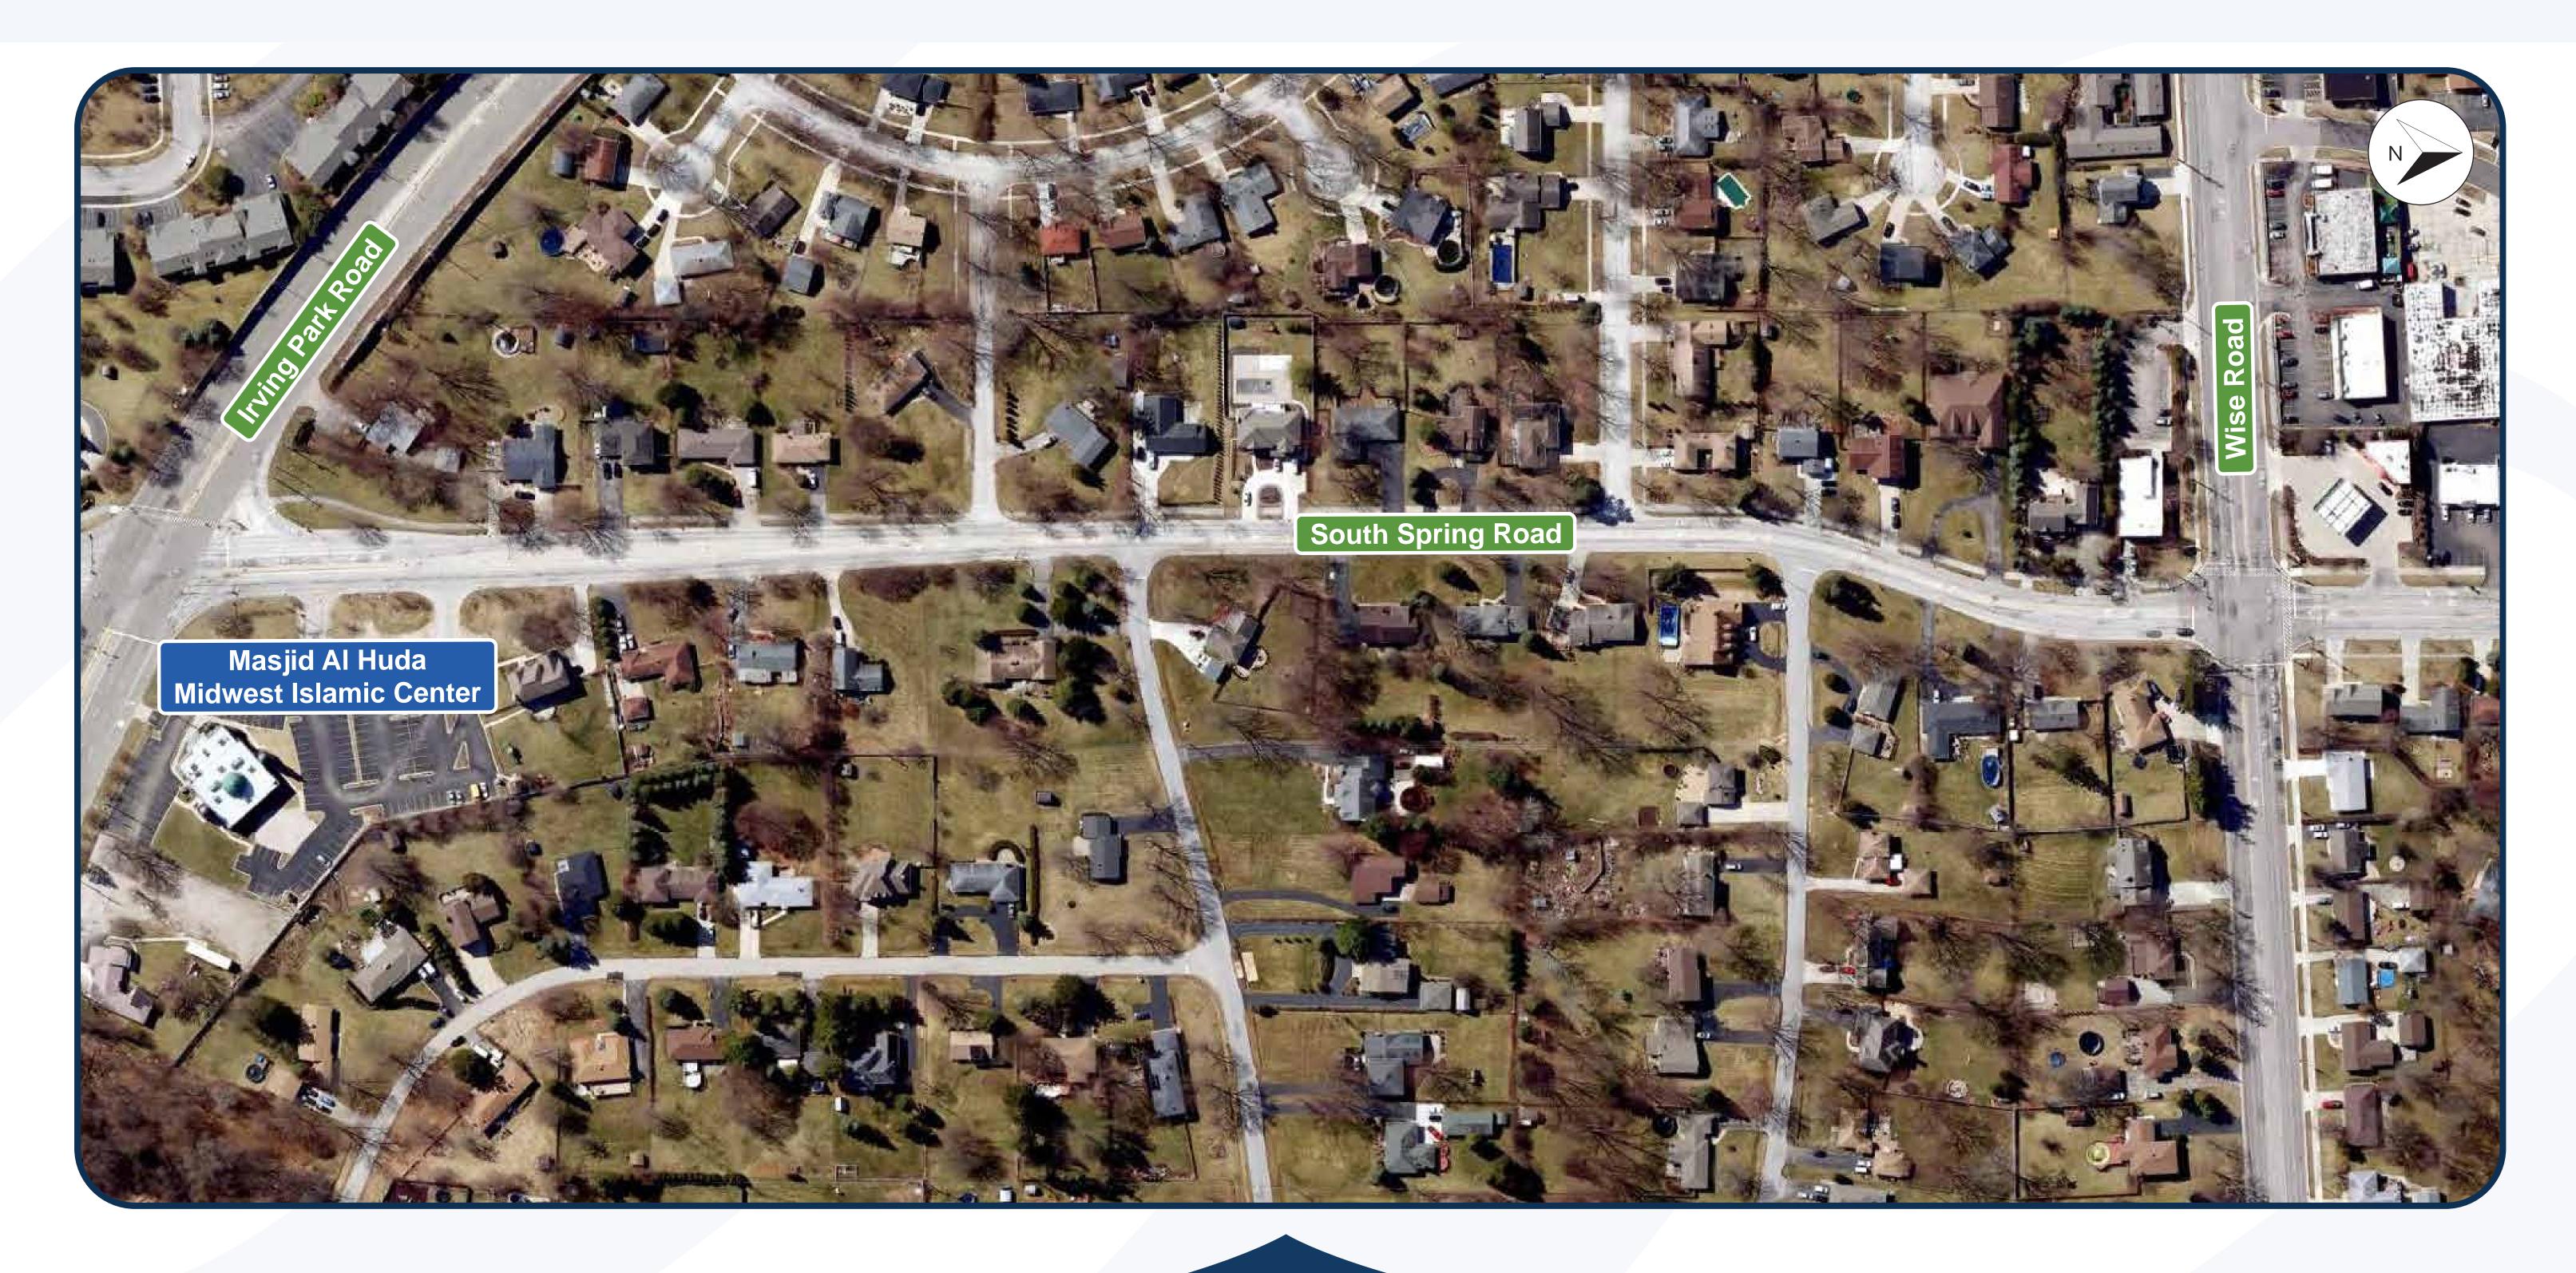

November 14, 2024

Project Location

Spring South Road - Village of Schaumburg Public Information Meeting

Existing Conditions

Spring South Road - Village of Schaumburg Public Information Meeting

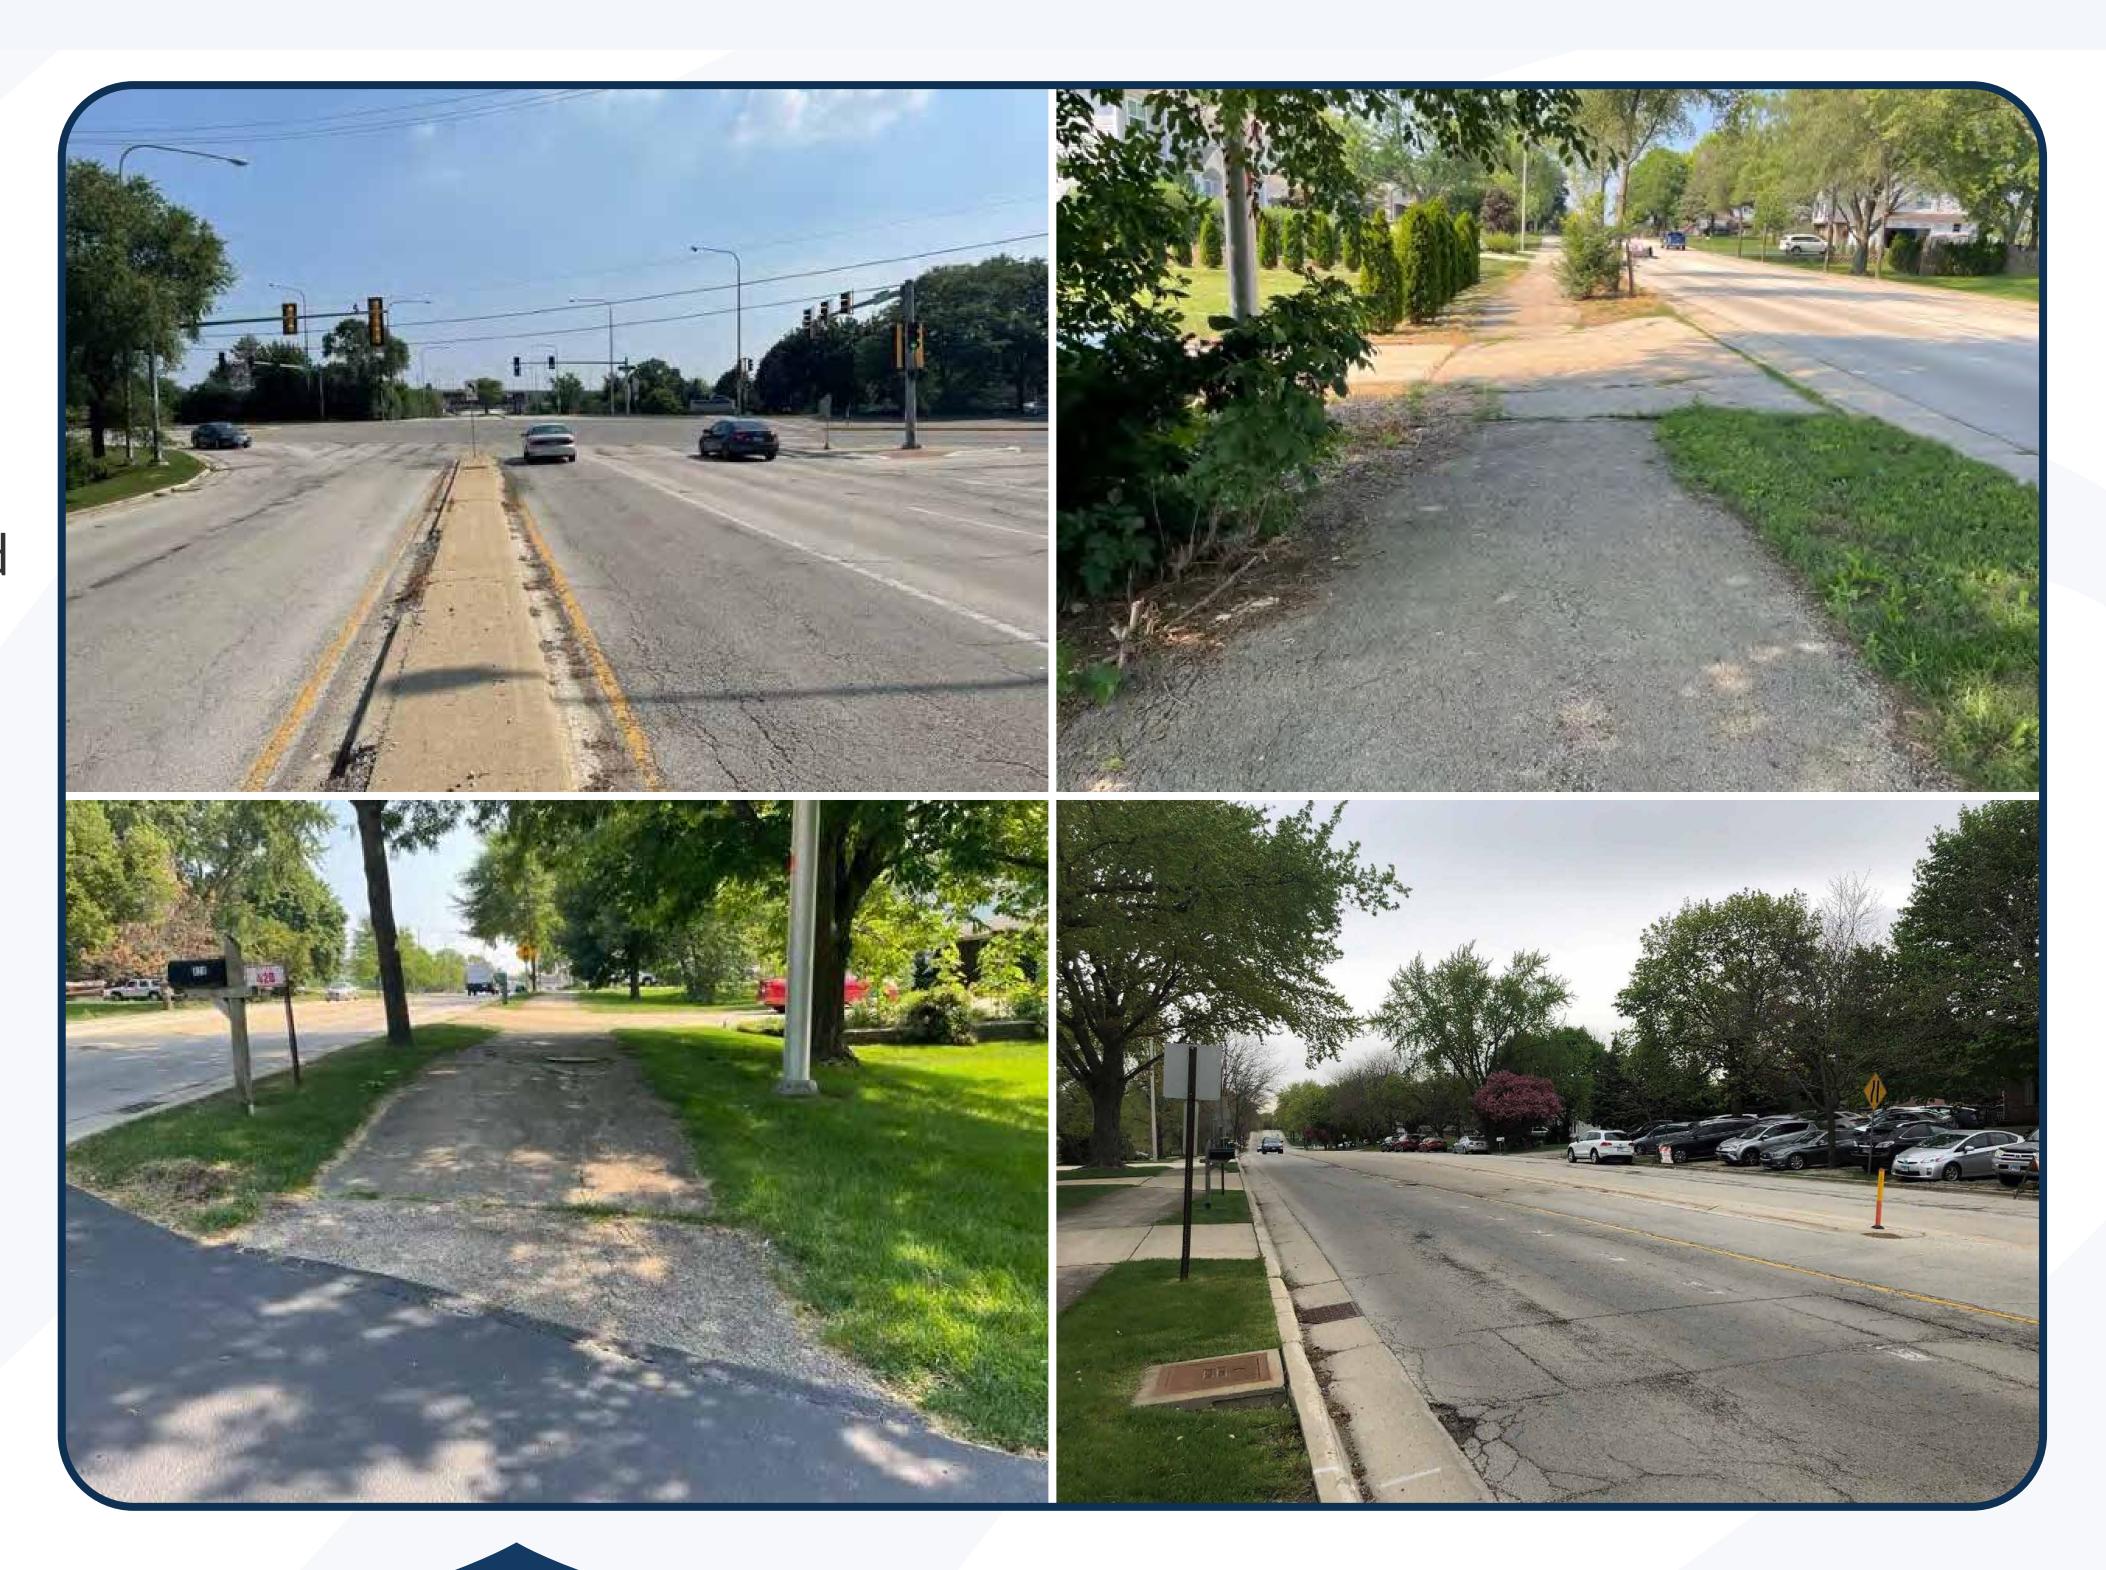

- Spring South Road is a major collector that runs North South in the Village of Schaumburg
- Continuous 8-ft multi-use path along the western side of Spring South Road
- Non-ADA compliant at intersections

Opportunities for Improvements

- Lack of continuous sidewalk on the east side
- Deteriorated pavement recently patched
- Cracking in pedestrian accommodations

Existing Conditions

Spring South Road - Village of Schaumburg Public Information Meeting

- Carries two southbound and northbound travel lanes at Irving Park Road
- 8-ft Multi-use path on entire west side along project limits
- Curb ramp updates needed at intersections
- One travel lane in each direction and striped median

Proposed

Spring South Road - Village of Schaumburg Public Information Meeting

- Pavement reconstruction throughout project limits
- Maintain number of travel lanes
- Convert concrete median to two way left turn lane
- Widen multi-use path to 10-ft
- 5-ft sidewalk in east parkway
- Pedestrian lighting
- ADA Improvements
- Landscaping
